

Seville: How to improve cycling mobility in a city with no cycling culture

Seville experienced a huge surge on cycling mobility after some policies were applied some 15 years ago. A committed team of politicians and experts gathered together back in 2005 and found the way to improve cycling mobility in the city increasing the daily cycling trips from 6.000 to 70.000 in just four years.

SEMINAR SERIES

This presentation is part of the seminar series «Cycling Policies» organised by OUVEMA with the support of the Competence Centre in Sustainability, the Institute of Geography and Sustainability, the Institute of Sport Sciences of the University of Lausanne and the Union Cycliste Internationale (UCI).
