

METRONOME Study

Have you just given birth?

Help us to discover how birth experiences influence the mother-child relationship and child development.

©Lausanne Perinatal Research Group

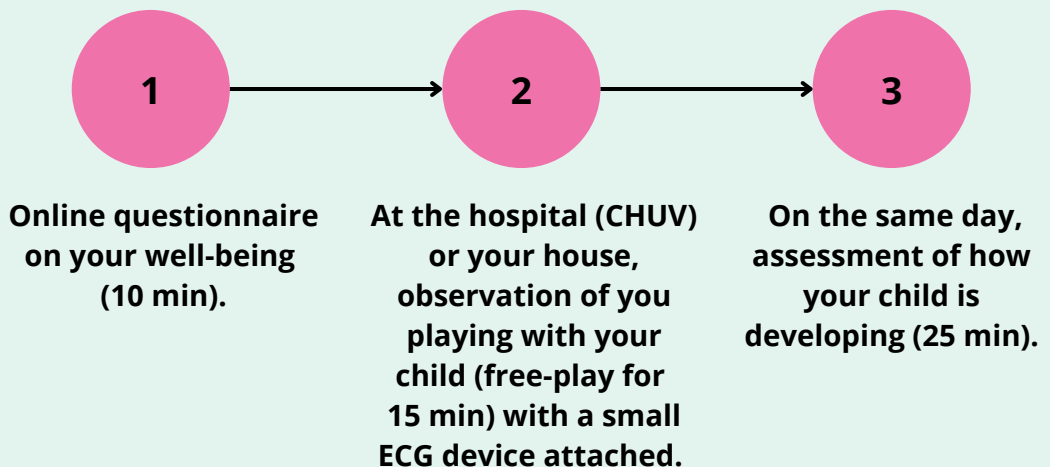

Are you interested?

Please contact us
sella.devita@chuv.ch or 079 556 75 36

All the information you provide will be treated confidentially and securely.

What does this study involve?

At 6 months after birth

How can it benefit you?

- You actively participate in research and therefore in the improvement of care related to childbirth.
- If you are interested, you will have the opportunity to discuss your experience of childbirth and motherhood and get personalized feedback.
