Recently, the successful landing of 4 Chinese GDRs on SIX Swiss Exchange has injected a booster into the current global capital markets. In this event, we will invite speakers from institutions, legal firms and Chinese GDR issuers who will provide their insights on the following issues:

- What are the legal and listing requirements for Chinese GDRs issuers? What are the main procedures of issuing GDRs in Switzerland?
- What makes GDR different from other Chinese overseas listing?
- Why Chinese listed companies are interested in issuing GDRs in Switzerland? What are the impacts of GDRs on corporate strategy, governance, and management?
- Why GDR is an opportunity for Swiss investors?
