QUALICO 2023

Lausanne, Switzerland, June 28-30, 2023

<https://www.unil.ch/qualico2023/>

The 12th International *Quantitative Linguistics Conference* will take place in Lausanne, Switzerland, on June 28-30, 2023. QUALICO 2023 is organized by the [International Quantitative Linguistics Association \(IQLA\)](#) and the [Department of Language and Information Sciences \(SLI\)](#) at the University of Lausanne (UNIL).

Topics

All contributions relating to quantitative linguistics and text analysis are welcome. We particularly encourage submissions on:

- Descriptions of all aspects of language and text phenomena, including psycholinguistics, sociolinguistics, dialectology, pragmatics, language typology, language acquisition, language evolution, usage-based approaches, information science, etc., insofar as they use quantitative mathematical methods (probability theory, stochastic processes, differential and difference equations, multidimensional analysis, fuzzy logics and set theory, function theory, etc.).
- Applications of methods, models, or findings from quantitative linguistics to problems of natural language processing, text classification, stylistics, authorship attribution, language teaching, scientometrics, bibliometrics, text mining, language complexity and complex network analysis.
- Methods of linguistic measurement, model construction, sampling and test theory.
- Epistemological issues relevant to quantitative linguistics such as explanation of language and text phenomena, contributions to theory construction, systems theory, philosophy of science.

Oral and Poster Sessions

Presentations should be in English. Each paper will be allotted 30 minutes (20 minutes of presentation and 10 minutes of discussion). There will also be a poster session.

Multiple Works by the Same Author

The maximum number of submissions by the same author or co-author is two papers. Submissions exceeding this threshold will be automatically deleted without notification.

Submission of Abstracts

The submission of an abstract will be via EasyChair
<https://easychair.org/conferences/?conf=qualico2023>

Abstracts must be in English and should include keywords, authors affiliations and references. They should not exceed 500 words (excluding keywords, authors affiliations and references) and 2 pages all included. The requested format for submission is PDF.

The deadline for submission is January 8th 2023, 11:59:59 pm (GMT).

Notification of Acceptance

Notification of acceptance will be sent to the contact author by February 28th 2023.

Conference Volume

We will invite authors of accepted abstracts to submit full papers for publication in the conference volume, which will be proposed for publication with a leading publisher.

Participation Fees

Participation fees must be paid before April 30th, 2023. The fees are:

- Regular: 250€
- IQLA Member: 150€

Participation fees include:

- An abstract book for the conference.
