

Want to start a PhD?

The University of Lausanne, Switzerland, offers:

PHD FELLOWSHIPS & POSITIONS in Life Sciences

Starting April 2025

Talented and motivated candidates who have or will have obtained their Master degree (or equivalent) in a relevant field before Autumn 2025 are invited to submit their application for a PhD fellowship before October 7, 2024 : www.unil.ch/fbm-phd

UNIL offers an exceptional scientific environment in the field of life sciences in the heart of Europe, on the shores of Lake Geneva, facing the Alps!
